DRIVERS:

We could use one more driver. I think 6 cars will fit us, but I think we'll be better in 7. We need room for the 16 players and a couple of adults going but not driving, and our drivers.

Driver list:

Dan L.	Donna B.
Christy K.	Mike M.
Twiss (?)	Joe L. & Madalyn C. (we could take 2 cars if needed)

Please check that the cell phone numbers we have for you are correct.

HOUSING

- All MUS players and Dan L. will stay in homes of players from the host club, Madison. Bring a sleeping bag, pillow, and sleeping pad if you want it.
- We will shower at the high school after the games. Bring a towel, soap, etc.
- Be respectful of the family
- NOTE TO ADULTS: We are expecting 2-3 parents to stay with the team at the host family's house. If you want to stay with a host family, please let Dan L. know ASAP. Otherwise, we assume you will make your own overnight arrangements.

WHAT TO BRING:

- **WATER BOTTLE**
- **MUS JERSEY**
- **SUNSCREEN & HAT**
- **WARM CLOTHES, SERIOUSLY** - Forecast is only 30°s – 50°s. Warm jacket, sweatshirt, sweatpants, winter hat and gloves are musts. If you aren't dressed for the weather, you may be benched.
- **RAIN COAT** - If rain is on the forecast, bring a raincoat. Hypothermia is a real concern during our spring season!
- **CLOTHES FOR YOUR GAMES** - shorts/sport pants, change of shirts (long and short sleeved) and extra socks are wise. Sweaty/wet socks = blisters.
- **CLEATS** – This is a safety item. A pair of soccer/softball/football/lacrosse cleats will help keep your knees and ankles safe, especially when the grass is wet. If you need help finding cleats, talk to a coach.
- **GARBAGE BAG** - Keep one in your ultimate bag so you can keep your gear dry if it starts to rain (or snow).
- **PREFERED SNACKS (no peanuts please).**
- **CASH** – for meals and any merch you want to buy
- **SLEEPING BAG, PILLOW, SLEEPING PAD**
- **TOILETRIES and TOWEL**
- **CLOTHES for SATURDAY NIGHT and SUNDAY DRIVE HOME**

WHAT MUS or TOURNAMENT WILL PROVIDE:

- Snacks are provided at the fields and also the team will get some items. If you like something special, bring it. (No peanuts please).
- Gatorade mix & some extra water.
- Pop up canopy for shade/gear
- Transport from housing to games/meals/etc.
